Details

This square-framed abstract artwork, textured with blue-grey and purple hues, features an illegible signature and is dated 1985 in the right corner.

The artist created texture and uneven patterns using plaster and collages to give life to his work.

Despite its dark and textured appearance, this acrylic creation conveys a sense of meditation and tranquility. The interplay of textures and deep colors, reminiscent of cosmic hues, encourages introspection about our position in the vast universe.

The painting sits in a deep black lacquer frame.
