Details

This Curtis Jere sculpture is expertly crafted from gilt metal to create a mesmerising starburst design. The sculpture features thin brass needles radiating outward from the centre, forming a spherical shape that is both dynamic and eye-catching. The natural patina and variations in colour created by the ageing of the brass add depth and character to the piece. The sturdy base provides a secure foundation for the sculpture, allowing the delicate starburst to appear as though it is suspended in space.

REFERENCE NUMBER: LU825832282732

PERIOD: 1970-1979

CONDITION: Excellent

MEASUREMENTS: Height: 19" Diameter: 14"

COUNT: 1

MATERIAL: Metal, Gilt

CREATOR: Curtis Jere (Designer)

COUNTRY OF ORIGIN: United States
