Details

Ruth Leaf (1923-2015) was an American artist and a Pioneer in the discipline of printmaking, specifically etching. She authored the book, "Etching, Engraving and Other Intaglio Printmaking Techniques" (Watson-Guption Publications) in 1976 while teaching at her namesake studio in Long Island and it remains the textbook used today in many schools.

This etching is signed and numbered 34/60.

The etching sits in a beautiful organic carved raw wood frame with gold leaf on the edges.
