## Details

This chaise features a top-notch vermilion leather and 4 brushed steel legs. It's probably a prototype since we could not find any information on the designer.

Its sculptural and sleek lines and the quality of the leather testify to the designer's attention to detail and quality. Crafted with both comfort and style in mind, this ergonomic design ensures not just visual appeal but also a comfortable seating experience.

This chaise is a statement piece which would light up any room.
