Details

Dreamy landscape picturing a view of a castle in France.

Large original frame made of walnut.

I love the soft and delightful pastel colors that are used. The colors add emotion to this dream-like memory this artist was remembering.

The artist is unknown, but that doesn't take away from the beauty.

REFERENCE NUMBER: LU825826453972

PERIOD: 1940-1949

CONDITION: Good

MEASUREMENTS: Height: 23.25" Width: 23.25" Depth: 2"
