## Details

This crafted lounge chair is constructed with a forged steel frame, offering both strength and refined industrial elegance. Available in two sizes, the chair can be finished in a black oxidized patina, powder coat (RAL K5 classic), or a custom finish to suit your aesthetic requirements.

Upholstery is customizable with Customer's Own Material (COM): 5 yards for the small size, and 6 yards for the large. Each piece is outfitted with four nylon glides for smooth floor protection.

Dimensions:

Small – W 22.5" x D 34" x H 28" (Seat: W 21" x D 23" x H 15")

Large – W 30" x D 34" x H 28" (Seat: W 28" x D 23" x H 15")

Size, color, material, and finish can be tailored to meet your specifications. Please contact us for customization options.
