## Details

Christopher Mark Brennan draws high-contrast photo-realism.

A remarkable piece by Brennan. Clean and thick lines made with a sharpie, presenting us a clown-like figure, with a sinister smile. The background contrasts the clown's attire.

Christopher Mark Brennan is based out of Santa Barbara. He lives a private life, not sharing much online besides his art. I believe it gives us the opportunity to see his artwork with a fresh and unbiased lens.

REFERENCE NUMBER: LU825826682612

PERIOD: Late 20th Century

CONDITION: Excellent

MEASUREMENTS: Height: 25" Width: 19" Depth: 1.5"

COUNT: 1

MATERIAL: Paper, Wood

CREATOR: Christopher Mark Brennan (Painter)

COUNTRY OF ORIGIN: United States
