"Landscape with radiations signs and lots of little tiny figures" This is the title of this black and white etching numbered 12/20 and signed by the artist. Ben Sakoguchi (born 1938) is a Japanese-American artist who was born in San Bernardino, California. At age five, his family was interned at the Poston War Relocation Center in Arizona. This period had a deep influence on his work! This piece shows perfectly his limitless, bitter muse: human cruelty.
