Details

This modern minimalist white table lamp features three regular holes on each side, allowing soft and calming light to pass through. The lacquered white wood finish ensures that it blends seamlessly with any colour scheme. This table lamp will complement any contemporary decor with its sleek design.

This lamp filled with resin provides the perfect illumination without being too bright or harsh on the eyes. With its soft and subtle glow, it is ideal for creating a peaceful and relaxing atmosphere in your space.

Henri Laborde is a renowned French restorer who has made a name for himself as one of the finest restorers on the West Coast. However, in recent years, Laborde has started to produce his own creations.

Clear lines and modern materials characterise Laborde's designs. He has a particular eye for balancing straight and curved lines in his designs, resulting in a unique style that is both modern and timeless. Laborde's work is known for its quality craftsmanship and attention to detail.
