This mesmerizing oil painting celebrates the Abstract Expressionism movement with its vivid brushstrokes that move dynamically, from abstract lines to fully formed shapes. The warm hues of the piece bring out its enigmatic nature, depicting a couple in an intimate embrace. So much together that they look like one entity.

Let yourself be rocked by this work of art – pierce through its poetry and discover what mysteries lie hidden beneath. Poetry is not simply made of words but also how one may reach harmony with nature through rhythm and motion.
