Details

This mixed media collage presents a dynamic composition built from layered cutouts of skydiving and parachuting imagery. Photographic fragments of figures in freefall, parachutes in mid-descent, and vintage aircraft are arranged across a sky-blue ground, creating a lively rhythm of overlapping forms. Text elements such as "Parachutist," "Sky Diver," and "Happiness Is..." punctuate the surface, reinforcing the theme and lending a period-evocative graphic quality. The dense arrangement of images conveys both the exhilaration and spectacle of the sport, with moments of humor and playfulness embedded in the visual narrative.

Unfortunately, the artist did not sign. All we can guess is that he was a passionate parachutist!
