## Details

This portrait features a blonde lady in a red dress wearing a white beanie. The artwork is an oil painting by an unknown artist. The subject's expression conveys a sense of melancholy coupled with some bleakness. The artist gave the woman emotional eyes, suggesting a lost innocence and a somewhat jaded look at life. Her three-quarter view position with her arm on the back of her seat emphasizes the feeling that she may wish to escape whatever situation she's in, all in the hopes of a better tomorrow.
