Another clean line drawing by Brennan, done with sharpie, or marker.

This can be interpreted as a woman of royalty, wearing her finest fur or feathered coat.

The lines created are bold and precise.

Christopher Mark Brennan is an artist based in Santa Barbara.

He lives a private life, not sharing much online besides his art. I believe it gives us the opportunity to see his artwork with a fresh and unbiased lens.

This is signed by Brennan and framed in a sophisticated dark frame.
